

On-Demand Satellite Services Terms and Conditions

The following terms and conditions ("Terms and Conditions") apply to individuals and entities ("Customers") using on-demand satellite services, including but not limited to OneWeb, Inmarsat, Iridium and/or other satellite networks ("Services") provided OneWeb Technologies Inc. ("OneWeb Technologies").

1. PROVISION OF SERVICES BY ONEWEB TECHNOLOGIES

- (A) These Terms and Conditions, OneWeb Technologies' approval of a Customer credit application, if required by OneWeb Technologies (a "Subscriber Application"), a Service Order Agreement (SOA) and/or Customer's written acceptance of a OneWeb Technologies quotation, when taken together, will govern the provision by OneWeb Technologies of Services to Customer. There are no other oral or implied agreements, warranties or understandings, and from time to time, OneWeb Technologies may, at its sole discretion, add, delete or modify the portfolio of Services made available to Customer under these Terms and Conditions.
- (B) In the absence of an SOA or a quotation signed by Customer, Customer's verbal instruction or issuance to OneWeb Technologies of a purchase order, work order, work ticket or other form of written order on Customer's standard form (collectively "Purchase Order(s)") will constitute Customer's acceptance of a OneWeb Technologies quotation. All future orders for Services will be governed by these Terms and Conditions, unless otherwise agreed. Future orders will be subject to OneWeb Technologies' acceptance, which may be withheld for any reason or for no reason.
- (C) Customer is responsible for notifying OneWeb Technologies, in writing, of any requirement to permanently deactivate or temporarily suspend Services. Such permanent deactivation or temporary suspension of Services will be effective only after OneWeb Technologies' receipt of Customer's written request and OneWeb Technologies' acknowledgement of receipt of Customer's written request. All such requests must be in writing and sent to: (Fax): +1-281-999-4455 or (Email): cancellations@onewebtechnologies.net. Notwithstanding the foregoing, permanent deactivation or temporary suspension of Services must be completed by Customer through the OneWeb Technologies IBIS Dashboard. There will be no pro-rata refunds for deactivation or suspension. Customer will remain liable for all charges including, but not limited to, airtime and monthly access fees up to and including the last day of the billing period in which OneWeb Technologies acknowledges receipt of Customer's written request for permanent deactivation or temporary suspension of Services as well as any applicable early termination fees.
- (D) The obligations of OneWeb Technologies and the terms of Service under these Terms and Conditions are subject to the terms of the agreements with its suppliers ("Suppliers") under which OneWeb Technologies purchases the Services from Suppliers (each an "Other Contract"). To the extent fulfillment of any obligation under these Terms and Conditions is not permissible or possible under an Other Contract, the Other Contract will prevail and such obligation will be suspended or modified to the extent required by the Other Contract. OneWeb Technologies represents and warrants that it is not presently aware of any material respect in which these Terms and Conditions are inconsistent with an Other Contract.

2. ORDERING SERVICES

Orders may be submitted to OneWeb Technologies as follows:

- a. through a OneWeb Technologies authorized dealer,
- b. by calling OneWeb Technologies directly at telephone number: +1-877-340-8524,
- c. by email to: orders@onewebtechnologies.net,
- d. by facsimile to +1-281-999-4455

Customer is required to complete all applicable paperwork for the Services to be provided by OneWeb Technologies.

3. CUSTOMER PURCHASE ORDERS

If Customer issues a purchase order to OneWeb Technologies for Services, such purchase order will be treated as an administrative document only and will not add to, delete from, or change any of these Terms and Conditions. Customer agrees to waive any future challenge to the enforceability of any purchase order on the basis that such purchase order was made and or confirmed by electronic means.

4. BILLING AND PAYMENT

(A) OneWeb Technologies will bill and Customer will pay OneWeb Technologies for the Services provided by OneWeb Technologies and for all applicable federal, state, provincial, local, and other taxes, fees and duties or other charges and amounts, including but not limited to sales, use, value added or withholding taxes which may be levied upon the Services. OneWeb Technologies shall charge and Customer shall pay a three percent (3%) processing fee on all Customer payments made by credit card.

(B) In the event that any tax, duty, impost, levy or the like charge becomes payable in any territory, either by deduction or otherwise, on or in respect of any amount to be paid by Company to OneWeb Technologies, or which Company may be required to withhold in respect of any amount due to OneWeb Technologies, such tax, duty, impost levy or like charge shall be for the account of Customer and Customer shall pay to OneWeb Technologies such an amount as to yield to OneWeb Technologies a net equal to the amount that but for such tax, levy, impost or charge would have been received by OneWeb Technologies. OneWeb Technologies will provide reasonable assistance to Customer to minimize the amount of such withholdings or deductions, including providing any relevant certification of its status as a non-resident or a jurisdiction or of its entitlement to benefits under a treaty.

(C) Payment terms.

- (i) Customer will pay all invoices within thirty (30) days of the date of invoice, and in accordance with the instructions as stated on the invoice.
 - (ii) Amounts not paid within thirty (30) days will be subject to an interest charge of the lesser of: (i) one and one-half percent (1.5%) per month, or (ii) the highest rate permitted by law.
 - (iii) Customer will pay for any and all collection or litigation expenses, including reasonable legal fees, incurred by OneWeb Technologies in collecting any late payments or late payment fees.
- (D) OneWeb Technologies may require Customer to pre-pay for Services or provide a third party guarantee, deposit, letter of credit, or other form of security deemed necessary by OneWeb Technologies, in its sole discretion, to provide adequate assurance of payment. The provision of such third party guarantee, deposit, letter of credit, or other form of security does not relieve Customer of its payment obligations specified herein.

- (E) Customer will be charged OneWeb Technologies' then-current charges in effect on the date Customer's order is received or the price in the quotation provided to Customer for the applicable Service. OneWeb Technologies reserves the right to revise such charges from time to time.
- (F) Customer acknowledges its responsibility to provide and pay for equipment and services required to connect Customer-provided equipment to the Services.
- (G) Customer must pay all undisputed amounts when due. If any portion is in dispute, Customer must, within thirty (30) days of the invoice date containing such disputed amount, give notice to OneWeb Technologies of the amount it disputes ("Disputed Amount") and include in such notice the specific details and reasons for disputing each item. For the avoidance of doubt, claims of unauthorized use, fraudulent use or any other misuse will not constitute a valid basis for dispute of an invoice. If the Disputed Amount is resolved in favor of OneWeb Technologies, Customer must pay the Disputed Amount with appropriate late charges, if applicable, upon final determination of such dispute. OneWeb Technologies will issue credits against amounts owing on subsequent invoices upon resolution of any Disputed Amounts in favor of Customer. An invoice is deemed to be accepted by Customer if no written notice of dispute is provided before the date the payment is due.
- (H) All payments are to be made in United States currency.
- (I) Liability for Data Usage. Customer shall be fully liable for payment for any and all voice and data charges accrued through the use of Customer's equipment. It is Customer's sole obligation and responsibility to ensure that all equipment and associated computer hardware and software are properly configured with respect to the Services being used and that only authorized users are permitted access to the Services.
- (J) Invoicing Policies.
 - (i) Minimum Invoice Amounts. Each monthly invoice (for payments made on a monthly basis) requires a minimum total of \$24.95 USD, or equivalent. If Customer's total airtime and services charges (exclusive of taxes and governmental fees) for each invoice month do not meet or exceed \$24.95 USD, the invoice total will be increased to \$24.95 USD. If Customer's total airtime and services charges for one invoice month meet or exceed \$24.95 USD, Customer will be charged only for those costs relating to such actual total airtime and service charges. Minimum Invoice Amounts can only be waived by written agreement as part of a OneWeb Technologies quotation.
 - (ii) Paper Invoice Fee. An administrative fee of \$4.95 USD per month, or equivalent, is charged by OneWeb Technologies for the issuance of paper invoices. To avoid this fee, Customer may elect to receive electronic invoices, in PDF format, each month. Invoices in electronic format are available by email. Paper Invoicing Fees can only be waived by written agreement as set forth in a quotation.
- (K) Minimum Service Term Commitments. Certain service plans are sold under pricing plans, some of which may require minimum service term commitments. Accordingly, termination of a service plan that specifies a minimum service term prior to the expiration of the minimum service term will result in Customer being liable to pay OneWeb Technologies the applicable termination charge as specified in the particular service plan. For the avoidance of doubt, Customer herein acknowledges that the assessment of a termination charge is reasonable and is not a penalty, but rather constitutes liquidated damages for the loss of a bargain.

5. OPERATIONS CENTER

OneWeb Technologies operates a Customer Care and Operations Center (S-NOC) which is staffed 24 hours per day, 7 days per week, and which may be contacted at telephone number +1-877-340-8524.

- (C) Services shall not be used to provide life support services.
